**GUILTY PLEA AGREEMENT**

Come now the parties and hereby agree, as follows:

**1. PARTIES:**

The parties are the defendant Nicholas Pontius, represented by defense counsel Adam Fein, and the United States of America (hereinafter "United States" or "Government"), represented by the Office of the United States Attorney for the Eastern District of Missouri. This agreement does not, and is not intended to, bind any governmental office or agency other than the United States Attorney for the Eastern District of Missouri. The Court is neither a party to nor bound by this agreement.

**2. GUILTY PLEA:**

Pursuant to Rule 11(c)(1)(A), Federal Rules of Criminal Procedure, in exchange for the defendant's voluntary plea of guilty to Count I of the charge, the government agrees that no further federal prosecution will be brought in this District relative to the defendant's Receipt and Possession of Child Pornography between approximately June 1, 2020, and July 27, 2020, of which the Government is aware at this time.

In addition, the parties agree that the U.S. Sentencing Guidelines Total Offense Level analysis agreed to by the parties herein is the result of negotiation and led, in part, to the guilty plea. The parties further agree to recommend to the Court that the defendant be sentenced to a term of imprisonment of 51 months. The parties understand and agree that the Court is not a party nor bound to follow this recommendation. Further, should the Court not follow this recommendation and sentence the defendant to a higher sentence, the parties agree that will not serve as a basis for the defendant to withdraw the plea of guilty.

The defendant also agrees, pursuant to the guilty plea to Count 1, to forfeit to the United States all property subject to forfeiture under the applicable statute(s), including but not limited to: SanDisk Ultra USB 3.0 256GB flash drive.

**3. ELEMENTS:**

As to Count I, the defendant admits to knowingly violating Title 18, United States Code, Section 2252A(a)(5)(B), and admits there is a factual basis for the plea and further fully understands that the elements of the crime of Possession of Child Pornography which he admits to knowingly committing and for which he admits there is a factual basis are: (1) defendant knowingly possessed material that contained images of child pornography, (2) which were visual depictions where the production of such visual depictions involved the use of a minor engaging in sexually explicit conduct and such visual depictions were of a minor engaging in sexually explicit conduct, and (3) those images are contained on material that has been transported in interstate commerce and were themselves transported in interstate commerce.

**4. FACTS:**

The parties agree that the facts in this case are as follows and that the Government would prove these facts beyond a reasonable doubt if the case were to go to trial. These facts may be considered as relevant conduct pursuant to Section 1B1.3:

1. On May 5, 2020, as part of a federal child exploitation investigation of Christian Hock, the Federal Bureau of Investigation (“FBI”) seized a McLaren 5G cell phone from Hock.

2. The McLaren 5G cell phone was forensically examined and was found to contain child pornography. As part of that examination, law enforcement discovered that Hock was communicating with others using Telegram, an encrypted social application, about trading child pornography.

3. Law enforcement found that, between April 12, 2020, and May 5, 2020, Hock and the defendant, using account @bboy7778, exchanged child pornography with each other. Specifically, on April 12, 2020, Hock told the defendant that he had “just joined a pedo group” and sent to him the following files:

a. “80808287FE9EACD86F45830226B1DC75.mp4” – a graphic video file, approximately 1 minute and 21 seconds in length, depicting, in part, a prepubescent minor boy wearing a mask and his hands tied behind his back, forcefully being made to perform fellatio on a male; and

b. “EE186B2AF6FD5E33011E1247299F5D9B.mp4” – a graphic video file, approximately 1 minute and 34 seconds in length, depicting, in part, a male engaged in anal sex with a prepubescent minor boy.

4. The defendant then asked Hock “Is that all they’ve sent in the chat?” and Hock replied “Oh God no, it’s shit load of files.” The defendant then told Hock “Damn wish I was in

it lol.” Hock responded “I’ll save and send them to you if you want.” The defendant replied “Ok!” Hock then sent the defendant the following files:

- a. “8E56B23EB12ED85D72788AB3F442EF89.mp4” – a graphic video file, approximately 1 minute and 36 seconds in length, depicting, in part, a prepubescent minor boy performing fellatio and being ejaculated upon by a male;
- b. “8EF0BFC1E47811EEE7E6CA361E2790B1.mp4” – a graphic video file, approximately 1 minute and 56 seconds long, depicting, in part, a prepubescent minor male being penetrated anally; and
- c. “A72F64193D82E99C570FBE85DDC36AAC.mp4” – a graphic video file, approximately 2 minutes and 38 seconds in length, depicting, in part, a male anally penetrating a toddler with his penis. An interstitial title appears approximately 1 minute and 43 seconds into the video, reading “He is 2 years. He likes to touch and look at the cock and swallow sperm.”

5. On July 24, 2020, United States Magistrate Judge John Bodenhausen signed a federal search warrant for the defendant’s residence.

6. On July 27, 2020, law enforcement executed the warrant and seized a SanDisk Ultra USB 3.0 256GB flash drive and a MacBook computer from the defendant’s bedroom in the basement, another Macbook computer from the living room in the basement, and an iPhone XR from the bathroom in the basement.

7. The defendant was interviewed by federal agents. The defendant admitted that he had exchanged child pornography with Hock and others using Telegram.

8. The SanDisk Ultra USB 3.0 256GB flash drive was manufactured outside the State of Missouri. Forensic analysis of the device revealed approximately 4,000 files of child pornography, including the following:

- a. "PTHC OhDaddy1-7 5yo fucked by daddy (very excellent).avi" – a graphic video file that depicts, in part, a prepubescent minor female being penetrated vaginally by a male penis;
- b. "2yo rape.mpg" – a graphic video file that depicts, in part, a toddler aged minor female being penetrated vaginally by a male penis;
- c. "1yo-fucked with plug dildo.mp4" – a graphic video file that depicts, in part, a prepubescent minor female in a lascivious display of her genitals while a male penetrates her vagina with an object; and
- d. "VIDEO\_464.3gpp" – a graphic video file that depicts, in part, a male digitally penetrating the anus of a prepubescent minor male until it bleeds.

9. In summary, the defendant admits that between on or about June 1, 2020, and on or about July 27, 2020, the defendant knowingly defendant knowingly possessed more than 600 images of child pornography that was produced using materials that traveled in interstate and foreign commerce, to wit, a SanDisk Ultra USB 3.0 256GB flash drive, said flash drive having been produced outside Missouri, and said flash drive contained child pornography. The defendant admits that the child pornography included infants and toddlers and involved materials that portray sadistic or masochistic conduct or other depictions of violence.

5. **STATUTORY PENALTIES:**

As to Count I, the defendant fully understands that the maximum possible penalty provided by law for the crime of Possession of Child Pornography to which the defendant is

pleading guilty is imprisonment of not more than ten years, and a fine of not more than \$250,000. The Court may also impose a period of supervised release of not more than life and not less than five years.

Additionally, per 18 U.S.C. § 2259A, defendant fully understands that for offenses committed on or after December 7, 2018, in addition to other assessments, the Court may impose an assessment for each count of no more than \$17,000.00 if convicted of 18 U.S.C. § 2252(a)(4) or § 2252A(a)(5), regarding the possession of, or access with intent to view, child pornography.

**6. U.S. SENTENCING GUIDELINES: 2018 MANUAL:**

The defendant understands that this offense is affected by the U.S. Sentencing Guidelines and the actual sentencing range is determined by both the Total Offense Level and the Criminal History Category. The parties agree that the following are the U.S. Sentencing Guidelines Total Offense Level provisions that apply.

a. **Chapter 2 Offense Conduct:**

(1) **Base Offense Level:** The parties agree that the base offense level is eighteen (18), as found in Section 2G2.2(a)(1).

(2) **Chapter 2 Specific Offense Characteristics:** The parties agree that the following Specific Offense Characteristics apply:

(i) **Two (2)** levels should be added pursuant to §2G2.2(b)(2), because the "material involved a prepubescent minor or a minor who had not attained the age of 12 years;"

(ii) **Four (4)** levels should be added pursuant to §2G2.2(b)(4), because the "offense involved material that portrays (A) sadistic or masochistic conduct or other depictions of violence;"

(iii) Two (2) levels should be added pursuant to §2G2.2(b)(6), because the offense involved the use of a computer or an interactive computer service for the possession, transmission, receipt, or distribution of the material, or for accessing with the intent to view the material;” and

(iv) Five (5) levels should be added pursuant to §2G2.2(b)(7)(D), because the offense involved “600 or more images” of child pornography.

b. Chapter 3 Adjustments:

(1) Acceptance of Responsibility: The parties agree that three (3) levels should be deducted pursuant to Section 3E1.1(a) and (b), because the defendant has clearly demonstrated acceptance of responsibility and timely notified the government of the defendant's intention to plead guilty. The parties agree that the defendant's eligibility for this deduction is based upon information presently known. If subsequent to the taking of the guilty plea the government receives new evidence of statements or conduct by the defendant which it believes are inconsistent with defendant's eligibility for this deduction, the government may present said evidence to the court, and argue that the defendant should not receive all or part of the deduction pursuant to Section 3E1.1, without violating the plea agreement.

(2) Other Adjustments: The parties agree that the following additional adjustments apply: none.

c. Estimated Total Offense Level: The parties estimate that the Total Offense Level is twenty-eight (28). The parties, however, recommend to the Court that it grant a four-level downward variance and sentence the defendant based on a Total Offense Level of twenty-four (24).

d. **Criminal History:** The determination of the defendant's Criminal History Category shall be left to the Court. Either party may challenge, before and at sentencing, the finding of the Presentence Report as to the defendant's criminal history and the applicable category. The defendant's criminal history is known to the defendant and is substantially available in the Pretrial Services Report.

e. **Effect of Parties' U.S. Sentencing Guidelines Analysis:** The parties agree that the Court is not bound by the Guidelines analysis agreed to herein. The parties may not have foreseen all applicable Guidelines. The Court may, in its discretion, apply or not apply any Guideline despite the agreement herein and the parties shall not be permitted to withdraw from the plea agreement.

7. **WAIVER OF APPEAL AND POST-CONVICTION RIGHTS:**

a. **Appeal:** The defendant has been fully apprised by defense counsel of the defendant's rights concerning appeal and fully understands the right to appeal the sentence under Title 18, United States Code, Section 3742.

(1) **Non-Sentencing Issues:** The parties waive all rights to appeal all non-jurisdictional, non-sentencing issues, including, but not limited to, any issues relating to pretrial motions, discovery and the guilty plea, the constitutionality of the statute(s) to which defendant is pleading guilty and whether defendant's conduct falls within the scope of the statute(s).

(2) **Sentencing Issues:** In the event the Court accepts the plea, accepts the U.S. Sentencing Guidelines Total Offense Level agreed to herein, and, after determining a Sentencing Guidelines range, sentences the defendant within or below that range, then, as part of this agreement, the defendant hereby waives all rights to appeal all sentencing issues other than Criminal History, but only if it affects the Base Offense Level or Criminal History Category.

Similarly, the Government hereby waives all rights to appeal all sentencing issues other than Criminal History, provided the Court accepts the plea, the agreed Total Offense Level and sentences the defendant within or above that range.

b. **Habeas Corpus:** The defendant agrees to waive all rights to contest the conviction or sentence in any post-conviction proceeding, including one pursuant to Title 28, United States Code, Section 2255, except for claims of prosecutorial misconduct or ineffective assistance of counsel.

c. **Right to Records:** The defendant waives all rights, whether asserted directly or by a representative, to request from any department or agency of the United States any records pertaining to the investigation or prosecution of this case, including any records that may be sought under the Freedom of Information Act, Title 5, United States Code, Section 522, or the Privacy Act, Title 5, United States Code, Section 552(a).

In addition, as a condition of supervised release, defendant shall initially register with the state sex offender registration in Missouri, and shall also register with the state sex offender registration agency in any state where defendant resides, is employed, works, or is a student, as directed by the Probation Officer. The defendant shall comply with all requirements of federal and state sex offender registration laws.

These and any other special conditions imposed by the Court will be restrictions with which defendant will be required to adhere. Violation of the conditions of supervised release resulting in revocation may require the defendant to serve a term of imprisonment equal to the length of the term of supervised release, but not greater than the term set forth in Title 18, United States Code, Section 3583(e)(3), without credit for the time served after release. The defendant understands that parole has been abolished.

possession, or access with the intent to view child pornography)). The assessment imposed under 18 U.S.C. § 3014 is in addition to the mandatory special assessment imposed under 18 U.S.C. § 3013.

e. **Possibility of Detention:** The defendant shall be subject to immediate detention pursuant to the provisions of Title 18, United States Code, Section 3143.

f. **Fines, Restitution and Costs of Incarceration and Supervision:** The Court may impose a fine, restitution (in addition to any penalty authorized by law), costs of incarceration and costs of supervision. The defendant knowingly and intelligently waives all constitutional and statutory challenges to any forfeiture carried out in accordance with this plea agreement, including but not limited to that defendant was not given adequate notice of forfeiture in the charging instrument.

The defendant knowingly and voluntarily waives any right, title, and interest in all items seized by law enforcement officials during the course of their investigation, including, but not limited to: a Macbook computer, whether or not they are subject to forfeiture, and agrees not to contest the vesting of title of such items in the United States. The defendant agrees that said items may be disposed of by law enforcement officials in any manner.

If defendant resides in Missouri following release from prison, defendant will be subject to the registration requirements of Missouri state law. Defendant further understands that, under 18 U.S.C. § 4042(c), notice will be provided to certain law enforcement agencies upon release from confinement following conviction. Defense counsel has advised the defendant of the possible sex offender registration consequences resulting from the plea.

In particular, if any crime to which defendant is pleading guilty is an "aggravated felony" as defined by Title 8, United States Code, Section 1101(a)(43), removal or deportation is presumed mandatory. Defense counsel has advised the

defendant of the possible immigration consequences, including deportation, resulting from the plea.

In addition, the defendant states that no person has, directly or indirectly, threatened or coerced the defendant to do or refrain from doing anything in connection with any aspect of this case, including entering a plea of guilty.

The defendant acknowledges having voluntarily entered into both the plea agreement and the guilty plea. The defendant further acknowledges that this guilty plea is made of the defendant's own free will and that the defendant is, in fact, guilty.

**11. CONSEQUENCES OF POST-PLEA MISCONDUCT:**

After pleading guilty and before sentencing, if defendant commits any crimes, other than minor traffic offenses, violates any conditions of release that results in revocation, violates any term of this guilty-plea agreement, intentionally provides misleading, incomplete or untruthful information to the U.S. Probation Office or fails to appear for sentencing, the United States, at its option, may be released from its obligations under this agreement. The Government may also, in

its discretion, proceed with this agreement and may advocate for any sentencing position supported by the facts, including but not limited to obstruction of justice and denial of acceptance of responsibility.

**12. NO RIGHT TO WITHDRAW GUILTY PLEA:**

Pursuant to Rule 11(c) and (d), Federal Rules of Criminal Procedure, the defendant understands that there will be no right to withdraw the plea entered under this agreement, except where the Court rejects those portions of the plea agreement which deal with charges the Government agrees to dismiss or not to bring.
